

GoldWing club Denmark

Hereby invites all Goldwing drivers in all of Europe to the 25th international treffen, to take place from the 22nd to the 25th of July 2010 in Kerteminde, Denmark

Kerteminde, on the north-east side of Funen, has been one of the leading fishing towns in Denmark for centuries, with a large fleet of fishing boats. Today, the fleet is seriously reduced, only leaving behind a small number of fishing boats.

Kerteminde is known for its maritime meeting places, and is a thriving maritime city, every year hosting lots of events, among others, regattas. Thanks to its special maritime atmosphere, Kerteminde is a popular vacation spot for everybody.

That's why we have chosen the city for hosting our anniversary treffen.

On the north eastern side of Funen, you can experience the fantastic Danish nature, beaches and water, restaurants, museums, the Fjord & Belt Center, and more. There are rich opportunities to sport the Goldwings in the wonderful nature.

The treffen ground is located on the outskirts of the city, but still in a walking distance of the cozy city center.

The ground, which is connected to KB's football fields, tennis courts, hostel and sports centre, has nice toilet- and showering facilities.

Check-in is open from Thursday at 10 am. On earlier arrival we refer to campsites, hotels, hostels and Bed & Breakfasts.
